REVIEW OF THE DRAFT PLUTONIUM IN SOILS TREATABILITY STUDIES WORK PLAN -  
JEE-0332-91

Enclosed is the Draft Plutonium in Soils Treatability Studies Work Plan, Volumes I and II, for your review and comment. Comments have been incorporated from Los Alamos National Laboratory and EG&G Nevada. Volumes I and II were produced by different contractors. Therefore, some discrepancies exist between these two volumes which we are in the process of integrating.

The Department of Energy/Rocky Flats Office (DOE/RFO) letter dated September 5, 1991 to the Environmental Protection Agency (EPA) and the Colorado Department of Health (CDH) indicates that this work plan will be submitted to the agencies by the end of November 1991. Based on the time constraints and need of DOE/RFO to review this document prior to transmittal to the EPA and the CDH, EG&G Rocky Flats is requesting that the review of this document be completed and all comments submitted to EG&G Rocky Flats by October 29, 1991.

If you have any questions, please contact O. Erlich at 273-6110.
